MORITO SCOVILL

GO PAPERLESS

This is a digital guide. All products displayed have been measured to size unless otherwise stated. Please note that actual product colours may vary slightly from those shown in this guide due to differences in screen resolution, device display settings, and individual monitor calibration.

If choosing to print this guide, the recommended settings to optimize your viewing experience is to select paper size **8.5 x 11 in. (US Letter)**, and print to **"Actual size"** in your **Page Sizing & Handling** settings.

ICON LEGEND

Home Wash

Suitable for non-industrial machines. Recommended wash temperature should not exceed 60°C (or 140°F).

NFPA 2112 Certified

Component has been certified to meet National Fire Protection Association's standard for industrial personnel against flash fires.

Industrial Wash

Suitable for Commercial Laundry Operations. Recommended wash temperature should not exceed 75°C (or 165°F).

High Visibility Compliant

Component meets Canadian Standards Association's standard for High-Visibility Safety Apparel (CSA Z96-22).

Recommended for Mines

Recommended for garments used in mining industries. Components will not react with compounds in work environment.

BUTTON MEASUREMENT REFERENCE GUIDE

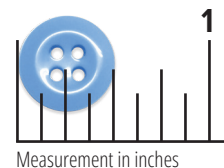

Ligne or “Line” is the traditional unit of measure for buttons commonly represented by **L**.

How to determine your button ligne:

1. Measure the diameter across your button or fastener component.
2. The formula below will help determine the most appropriate button ligne:

$$\frac{\text{Button Diameter (mm)}}{0.635}$$

$$\frac{\text{Button Diameter (inches)}}{0.025}$$

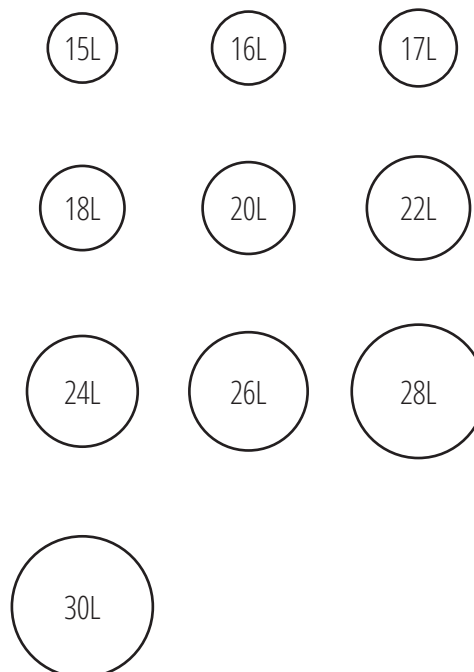

$$\frac{12.5\text{mm}}{0.635} = 19.68 = 20\text{L}$$

$$\frac{0.50\text{ inch}}{0.025} = 20 = 20\text{L}$$

Or match against the corresponding ligne measurement as charted:

LIGNE (L)	MILLIMETERS (mm)	INCHES (in.)
15	9.5	3/8
16	10.0	5/16
17	10.5	7/16
18	11.5	15/32
20	12.5	1/2
22	14.0	9/16
24	15.0	5/8
26	16.0	21/32
28	18.0	23/32
30	19.0	3/4

NOTES

[illegible]

TERMS AND CONDITIONS

- It is understood that it is the responsibility of the customer to inspect all goods upon receipt, including any third parties involved, to verify that the goods are exactly as ordered. Any discrepancies must be reported within 24 hours of receipt of shipment.
- Colours shown in **Notions and Trim Book** may vary slightly from actual product.
- All shipments are F.O.B. our plant. Applicable taxes apply.
- No exchanges after 7 days.
- Prices are subject to change without prior notice.
- **Premium Uniforms & Textile Products** reserve the right to make changes to designs and fabric colours at anytime without notice.

ORDERS AND PAYMENTS

- Minimum order quantity (MOQ) applies on all products.
- Orders must be placed in increments following inner pack or as stated.
- Minimum order must be \$150 before taxes. A \$25.00 surcharge will apply to orders below the minimum.
- Standard terms of sale are Net 30 days upon credit approval.
- Overdue invoices are subject to a 2% late payment fee.

RETURN POLICY

- Returns and exchanges must be initiated within 7 days from date of receipt and are at the discretion of **Premium Uniforms & Textile Products**.
- Please contact customer service for a Return Authorization Number (RA#).
- Please do not return any product without an RA#. Shipment will be refused and returned to sender.
- A 20% (minimum) restocking fee applies for all returns where **Premium Uniforms** or **Textile Products** is not at fault.
- We do not accept returns on used or damaged products.
- The customer is responsible for the return shipping cost.
